## ANNUAL MEETING MINUTES

Call to order 7:00pm

## **Approval of Minutes**

Minutes from Feb. 11, 2008 approved as corrected. Minutes from Feb. 27, 2008 approved as written.

## Communications

Copies of the Budget and Income statements, Collection Policy, and Agenda were available for those in attendance.

- GPHA Financial Report-See attached
- Landscaping-see attached report from Ken Zeigler regarding the landscaping (Note that a homeowner is interested in planting some flowers and bulbs in the center island at the entrance. Contact Michelle Genos.)
- 3. Collection Policy-See attached Policy was found in minutes from a meeting in 2000, but has never really been put into writing prior to July of 2007. It was amended on January 21, 2008. The maximum late fees collected for 2007 is \$75 due to the date the invoices went out, leaving only three quarters to assess late fees.. This year, the maximum late fees assessed will be \$100, or \$25 for each of the four quarters of the year.
- 4. Design Review Committee- We now have a new committee made up of Ron Schultz, Tim Adams, and Chris Mertes. Submissions for outside work need to be submitted to a board member or to the mailbox for tracking. We need two copies. All submissions will be approved or disapproved in writing. Paint color changes need to go through this committee.
- 5. Welcoming Committee- We would like to have folders available to new homeowners and include a disk of the Declaration of Covenants and the Rules & Regulations. Also, we want to pass on Board contacts and Design Review information. In planning for the Annual Picnic, we need a rain date. The Welcoming Committee also maintains the Babysitter list.
- Website- we have a domain name. We need help with webhosting and design.

## **New Business**

results were as follows.

Niraj Dhebar- 20 votes

Michelle Genos- 20 votes

Shelley Shipley- 20 votes

Susan Bard 20- votes

One proxy letter was submitted to the Secretary and it will remain with the minutes. **MISC.** 

Fence repair- just keeping this on the list!

Vicious Dog Policy.- Do we need our own?

Check into the sign rules for political signage.

Non-licensed car sitting in a driveway is a city issue as well as garbage problems.

Some residents questioned if we needed a review/update of our documents.

Mike motioned to excuse Ken. Melissa seconded. All were in favor.

Meeting adjourned at 8:10pm.

Next meeting will be planned within 10 days of the vote for new board members.

## GPHA Landscape Update

### 3/6/2008

GPHA is beginning the 2<sup>rd</sup> year of a 3-year contract with Turfscape Inc. (Turfscape's 3<sup>rd</sup> year at GPHA) which has a business location at 8490 Tower Drive in Twinsburg, OH. This company has done an excellent job during their tenure and is responsive to our needs and directions. They are contracted to maintain the areas outlined in the existing landscape easement with the City of Twinsburg. Generally, the areas in the easement are the 9 cul-de-sacs within the subdivision, 4 street area open lots on Parkland and Dayflower, and the perimeter of the development running from the Eastern boundary on Glenwood Ave to Ravenna Road and along Ravenna to the Western boundary. There is also the entrance area on Belmeadow at Ravenna Road which includes the island, and both sides of the street, extending all the way to the tot lot (playground) on the Southeast side of Belmeadow.

With the final filing last year with Summit County records of the areas once thought to be part of the GPHA, but were in fact still held by the original developer, some of the areas contained in the Landscape Easement no longer apply and are now under the control with the City of Twinsburg. During the 2007 season, Turfscape was instructed to discontinue maintaining some of these areas and the GPHA did realize some savings from the normal monthly installment which was the intent and to also not maintain areas that the GPHA no longer responsible for. The City of Twinsburg did take over the maintenance for these areas.

Although the City has been reasonable to work with, it didn't take long to realize that their programs were only going to hit these areas once every 8-14 days instead of the usual Monday of every week. Not that the City is being negligent, that is just the way their maintenance program works. There were some resident complaints received by board members so the change did have a negative impact on the overall appearance, particularly at the main entrance to the subdivision. The current board sees homeowner value in keeping these strategic areas well maintained so we are working with the City to add back some of the more visibly affected areas to the landscape easement and this should be finalized at a meeting next week.

The cost breakdown for the current contract is as follows:

Mowing and bed maintenance	\$9,294
Seasonal pruning of trees and shrubs	\$ 552
Spring Clean up	\$ 352
Bed Edging	\$ 992
Fall Clean up	\$ 864
Debris removal	\$ 200
Fertilization program (6 total applications)	\$3,427

\$16,661 \$2,275

Sales Tax

Mulch application

A nominal fuel surcharge is imposed when Gasoline exceed \$3.00 per gallon for the Midwest Region on the National fuel index.

Please let the attending residents know about the Flood Control meeting regarding the Forest Lake area to be held on Wednesday, March 12<sup>th</sup> at 6:00 p.m. at the Twinsburg Government Center on Ravenna Road. Amy Mohr will oversee the meeting.
